This invaluable medicine was prepared from an extensive pracfail of curing Fener and Ague, or any of the diseases above named: Those who are suffering from diseases of this kind, as also those who have become invalids from their effects upon the constitution will find the India Cholugogue a most invaluable remedy for pur fying the blood, and thoroughly cleansing from the system the mor-

bid effects of a bilious climate, The wonderful, operation of the Cholagogue in eradicating bile from the human system, can only explain its extraordinary agracy in the speedy, thorough and permanent cure of fever and ages, and the various grades of intermittent and remittent fevers.

From Hon. Ross Wilkins, United States District Judge for the District Mr. Edward Bingham. of Michigan. Detroit, Oct. 30, 1841.

Dear Sir-With great pleasure I state the fact of the complete and radical core of the Peyer and Aone with which buy son William was attacked, by the use, pursuant to directions, of Dr. O. good's India Cholagogue. He had as severe an attack as I ever witnessed, and I apprehended a long winter of this disease, which was some years ago the case when I resided at Tecumseh. But L was providentially led to notice your advertisement in relation to this medicine-determined to try it, and the use of one bottle broke the disease, and I am confident has effected a radical cure, as two months have now clapsed without a return of it, and my son is in the enjoyment of robust health. It is an invaluable medicine and should be generally known. ROSS WILKINS.

From Hon, STRPHEN V. R. TROWSKIDGE, of Michigan State Senate. BIRMINGHAM, Dec. 13, 1841. Mr. Bingham-You wish me to inform you what I know of Day Osgood's India Cholagogue, or anti-bilious medicine. I do believe that if the virtue and efficacy of this medicine were generally known. Perhaps no summer since the settlement of this fine peninsular

has the fever and ague been so prevalent as the last. I have recommended this medicine in numerous instances, and when the disease had become fixed and baffled the skill of physicians; and I have never known it full! It has universally produced the most happy removing the bilious diseases of she climate.

Yours respectfully, STEPHEN V. R. TROWBRIDGE. From Hon. E. FARNEWORTH, Chancellor of the State of Michigan. DETROIT, March 23, 1842.

Mr. Edward Bingham, Druggist, Detroit. Sir-I have made use of Dr. Osgood's India Cholagogue and have had opportunities of witnessing its salutary effects when used by others. I believe it a most valuable medicine for the cure of fever and ugne; and also that its proper use will prove a most certain preventive against its recurrence, to which persons who have been afflicted with it are liable. Very respectfully, a North E. FARNSWORTH.

From Lucius Assort, M. D., late Surgeon United States Army) . DETROIT, Oct. 1, 1841. .. To Edward Bingham, Esq., Agent for the sale of the India Chalagogue-I do hereby certify that I have used the India Chelagogus prepared by Charles Osgood, M. D., for intermittent fevers, and it has exceeded my most sanguine expectations in the cure of said disease. I feel a confidence in recommending it as a perfectly safe ver, dumb ague, of any other form of intermittent fevere I do further testify that the medicine has in this vicinity, and in others where it has been used, acquired a very high reputation, and that in every case where it has been used to my knowledge, it has

Gents-I take this opportunity of informing you of a most remarkable cure performed upon me by the use of 'Dr. Wistar's Balsam of Wild Cherry.' In the year 1840 I was taken with an inflammation of the bowule which I labored under for six weeks when I gradually recovered; In the fall of 1831 I was attacked with a severe cold, which seated itself upon my lungs; and for the space of three years I was coning in all 143 97-100 acres more or less; mortgaged by of n e qr sec 36, t 27 n, r 4 w, containing in all 200 acres; fined to my bed. I tried all kinds of medicines, and every variety mortgaged by Randolph Brearly ; loan, interest etc 586 of medical aid without benefit; and thus I wearied alenguatil the winter of 1844, when I heard of "Wistar's Balsam of Wild Cherry." My triends persuaded me to give it a trial, though I had given up all hopes of recovery and had prepared myself for the change of another world. Through their solicitations I was induced to make use of the Genuine Nistar's Balsam of Wild Cherrys, The effect was truly astonishing. After five years of affliction, pain and suf-fering; and after having spent four or five hundred deliars to no purpose, and the best and most respectable physicians had proved
